

Kiddo's

gifts, clothing & essentials for newborn through age 6

Thank you so much for registering at Kiddo's; we look forward to sharing this special time with you and the arrival of your little one. Our goal is to provide you with the very best in gift, clothing and essentials for your little one, and we hope that this packet may help.

Please let us know if we can help with any of the "Baby Shower" needs, *Invitations*, *Thanks You's*, *Baby Bingo Game*, or simply a *Business Card* to insert in each invitation. We are also happy to do orders over the phone, as we know some families may live off island and will want to purchase from your registry. We can ship or deliver too, so do not hesitate to ask if you need something special for your shower.

All of your gifts from us should come with a "Gift Receipt". You have 21 days from date of purchase to do any Exchanges, and all *Gift Receipts are for Store Credit Only*. It is often best to take care of any of this shortly after the Baby Shower, as we know it will get very hectic prior to the delivery date. We also are very excited about our new website that will make it easy for your shower guests to pull up your list on line prior to shopping in the store, or calling to place an order. They will find a Link on the "Baby Registry" Page under your name.

The following pages will help you prepare for that special arrival to make sure you have everything you need. The items that we carry at Kiddo's will have a (*) next to it. As we continue to grow as a store, we hope to add more to this list. We also are always looking for new ideas that can be added to this list, so please do not hesitate to let us know.

Often times some of our best products were a result of a parent's suggestion, something they could not live without.

Thank you again for Registering with us.
As a special Thank You,
you will receive **10% off** any item that you did not
receive from your registry.

We look forward to sharing this journey with you.

Danielle Bailey
